Grey Lid

Product Description

Grey Lid Household Ultrasonic Cleaner With Cleaning Frame For Diamond Ring

Traditional care for Diamond Ring

Scrubbing it with soft cloth and special care solution.
It was wasting you a lot of time and it is hard to clean entirely.

New and Efficient Care

Diamond will be dim when there is dirtiness on it..
Your diamond will be shining again after a ultrasonic cleaning process and it just need a few minutes.

1. When you diamond ring is not so dirty, tap water will be suitable choice for you to clean diamond ring.
You just need to put your diamond ring on cleaning frame with tap water filling it.
2. When your diamond ring is dirty enough, diamond care solution will be perfect for you to remove all dirty spot from your diamond ring.

Ultrasonic cleaner can give you same cleaning care in every direction of diamond ring including blind hole.
